Topics we'll cover in this Handbook

The purpose of this guide is to help you make the most out of your program and to ensure that you have all the necessary information you need to have a successful and enjoyable stay in Prague.

01

General Information

Go-to resource for general information that will enhance every aspect of your experience in Prague.

02

Lectures & Internships

The handbook provides a schedule, detailed information about sessions and speakers, and essential tips for starting your internship.

03

Tips & Important events

Important tips for enhancing your stay in Prague, as well as important events hosted by ECCEDU.

02

The summer program in Prague consists of several key components that are designed to provide you with a comprehensive and enriching experience.

Welcome reception

The first event of the program will be the welcome reception which will give you the opportunity to meet fellow participants from summer programs and get a taste of Czech culture.

Lectures

The program includes 6 mandatory lectures for Economics students, held Fridays from 9 AM to 12 PM at Pronájem Klimentská. Students can also attend optional lectures from ECCEDU's Law, Business, Architecture, AI, and Engineering programs at Czech Technical University.

Internships

During this time, you will have the opportunity to put your new-found knowledge into practice. This is an excellent opportunity to gain hands-on experience and make valuable connections in your field.

03

General Information

It's common to give a firm handshake when greeting someone, especially in a business setting.

Alcohol is widely consumed in the Czechia, however, it is important not to drink excessively, as it is considered inappropriate.

Punctuality is highly valued in the Czech Republic, and it is considered disrespectful to be late for appointments or meetings.

04

General Information

Pack appropriately

The weather in Prague can be quite UNPREDICTABLE, so make sure you pack clothing that is appropriate for both warm and cool weather. Additionally, make sure to bring any necessary medications or other items that you may need during your stay.

Use public transportation

Prague and Czech republic has an extensive public transportation system, including buses, trams, trains and metro. It's an affordable and convenient way to get around, so make sure to take advantage of it.

Stay safe

Prague is a relatively safe city, but it's still important to take precautions to stay safe. Be mindful of your belongings, especially when in crowded areas, and be aware of your surroundings. If you need help, don't hesitate to ask for it.

Transportation Apps

When it comes to public transportation in Prague, there are several apps that can make your travel experience much smoother. One of the top recommendations is the PID app, which provides timetables for buses, trams, and trains,

Plan your budget

Budget

Prague is a relatively affordable city, but it's still important to plan your budget carefully. Make sure you have enough money to cover your expenses for the entire program, including food, transportation, and any activities you plan to do.

In addition to exploring the city of Prague, there are also many exciting trips you can take to other parts of the Czech Republic. Consider factoring these trips into your budget.

Eating out

Eating out in Prague can be relatively expensive, especially in tourist areas. It's recommended to cook your own meals or look for cheaper options in local restaurants.

- It is advisable to bring approximately 100 EUR in cash to cover any expenses. Upon arrival, it is essential to exchange the currency to Czech koruna (CZK) since the country does **not use euros**.
- Recommended Exchange places
Praha Exchange
Jindřišská 12, 110 00 Nové Město
Provaznická Exchange
Provaznická 386/1, 110 00 Můstek

08

What To pack

- In order to make the most of your summer program in Prague, there are certain items that you should bring with you.
- It is important to bring your laptop as this will be your main tool for the lectures and you may need it during your internship as well.
- Bring some semi-formal clothes as there will be formal events during the program and you may need to dress appropriately for your internship as well.

09

Things To avoid

When it comes to transportation, it is recommended that you do not stop a taxi directly on the street. Prague has a reputation for overcharging tourists, so it is best to use a recommended taxi operator.

When exchanging currency, it is best to only use exchange offices or banks that are recommended by our staff. Avoid small shops and especially those in tourist areas, as they often offer poor exchange rates.

It is recommended that you do not carry your passport with you every day, but instead, bring a photocopy or your ID card if you have one.

Networking Events

Welcome Reception - July 8th, 2025

The traditional gathering of students and partner companies is the perfect way to kick off the program and make new connections. During the event, students will have the opportunity to meet speakers, company representatives, and their fellow students.

Beer talks

These events will take place in local Prague pubs during the program. During the Beer talks, students will have the chance to meet and network with speakers and company representatives in a relaxed and informal atmosphere. The atmosphere will be informal, making it the perfect chance to unwind and have a good time!

Graduation Ceremony, July 25th, 2025

The graduation ceremony marks the end of the program, and is a celebration of the students' hard work and achievements. During this special event, you will receive your certificate to be recognized for your dedication and commitment to education.

11

Trips

As part of the ECCEDU Summer Program, students will have the opportunity to take trips to some of the most beautiful and historic landmarks in the Czech Republic. One of the highlights of the program is a visit to Kutná Hora, a medieval town known for its historic silver mines and the beautiful St. Barbara's Church.
